Stop at a sign and ask for the special plans for the evening. Bring a chair and see the best ever classic films in the Capital Bank parking lot near Antonella's. Sean Connery, Clark what's-his-name, Bette Davis and all those other big stars you've forgotten are as good as ever.

The Merchants really work to be sure everyone enjoys the Holidays in Pittsboro. In December, they are open special hours and host refreshments, music, carriage rides, luminaries and a visit from Ole Saint Nick for the kids.

Pittsboro has food and fun for the whole family. Check out the PMA website often — there is always something going on: www.pittsboroshops.com.

You don't have to be in retail to be a member. Call Ginna at 356.6825. Joining this group will get new business for you no matter what line you are in. Don't be missing the most fun to be had in Pittsboro in — maybe — over two hundred years!
